- Grafton
- Ballina
- Nimbin
- Mullumbimby
- Evans Head
- Lismore
- Pottsville

# Brighter Futures Far North Coast (CoNC)

## **Brighter Futures is here to support you!**

Brighter Futures North Coast (CoNC) is a targeted Early Intervention and intensive Case Management and home visiting program.

The program is voluntary and referrals can be made via Family and Community Services Helpline or via a community referral (for example, community organizations or self-referral) directly to the Brighter Futures (CONC) head office situated at Evans Head.

## **BFNC (CoNC) aims to achieve three major outcomes for participating families:**

- Promotion of healthy development in children
- Promotion of strong, functional and well-supported families
- Reduction and prevention of child abuse and neglect in participating families.

# What do we offer?

## **Brighter Futures offer:**

- Intensive Case Management
- Structured Home Visiting
- Parent Education that suits the family's needs (group based or intensive 1:1)
- Advocacy
- Assistance with referrals to other services
- Provide information on a variety of topics associated with parenting, child development, child safety & wellbeing

### **Referral Pathways:**

There are two referral pathways into the Brighter Futures North Coast Program, namely:

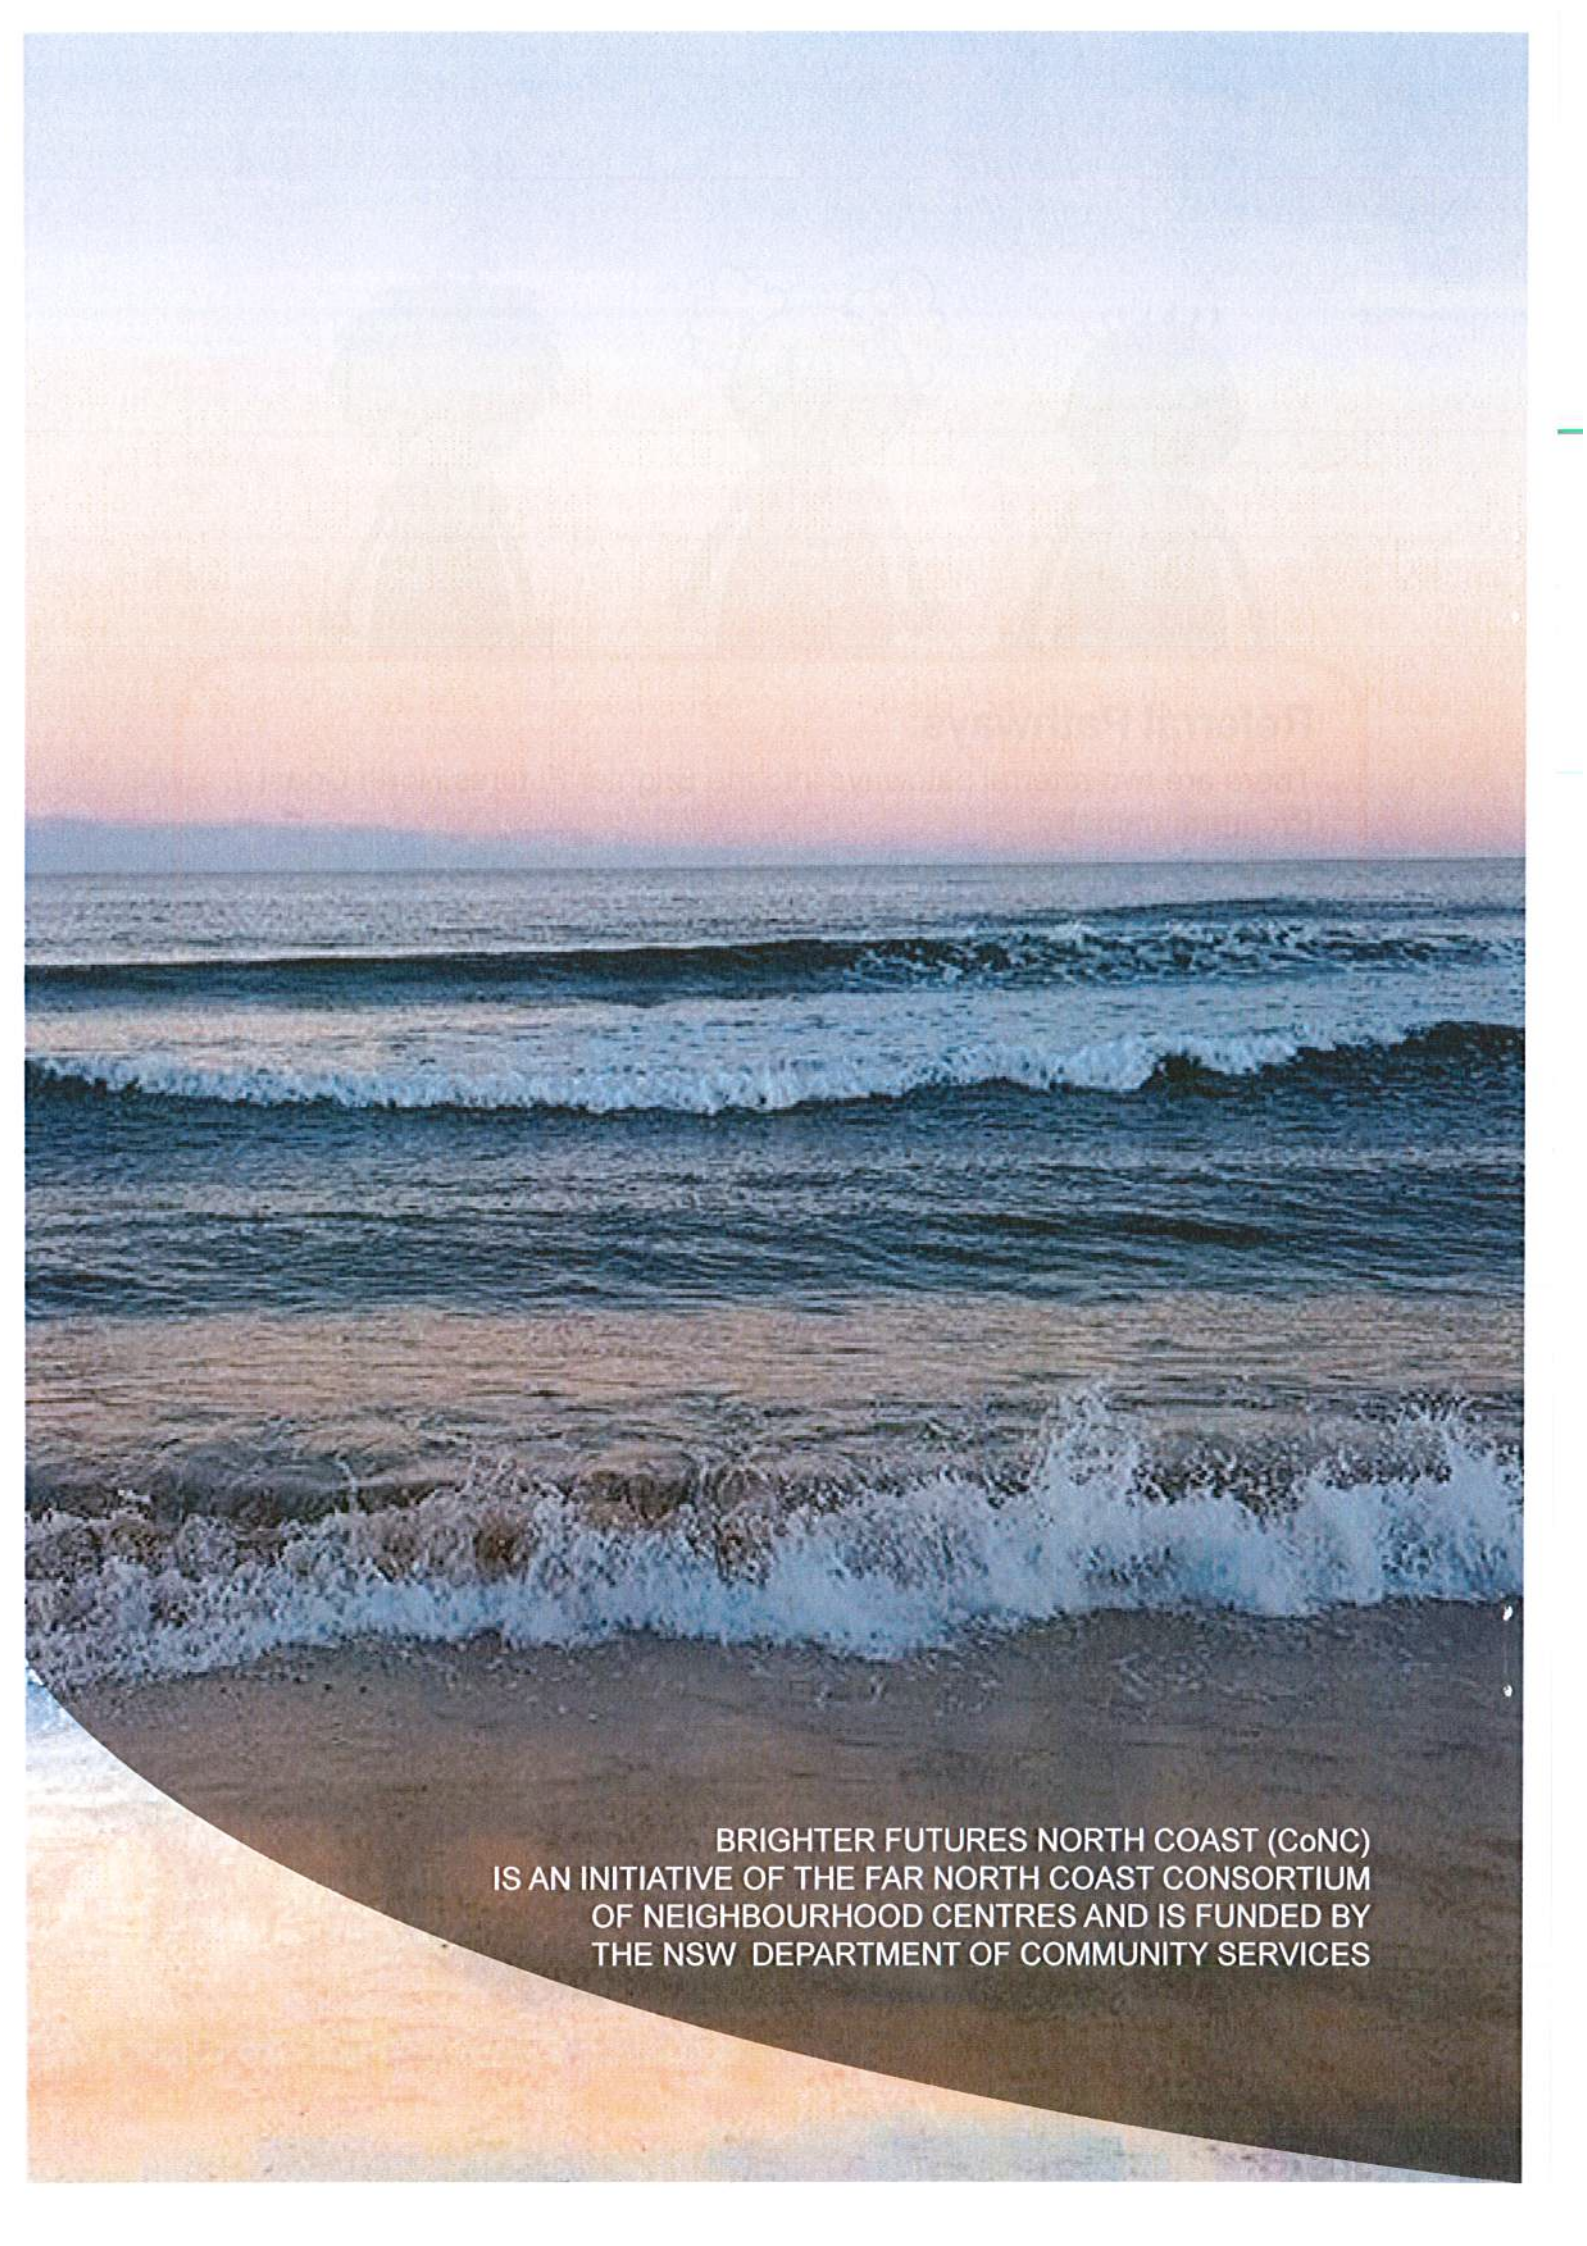

- Family and Community Services helpline
- A community referral (for example, community organisation or self referral).
